

2022 Strafford County Addiction Summit

January 26 & January 27, 2022 | 8:30am - 12:30pm | via Zoom

The 2022 Strafford County Addiction Summit, hosted by the Strafford County Addiction Task Force, will provide people living and working in and around Strafford County with knowledge, skills and tools to address current challenges facing our community as they relate to the of prevention, treatment, recovery and reduction of harm of substance use and mental health disorders. Attendees will hear from experts across the continuum of care as speakers, panelists and presenters discuss programs and practices that have shown to make a positive impact in their organizations and communities.

Learning Objectives:

1. Collaborate with organizations and groups within your community to improve the continuum of care related to substance use and mental health
2. Apply new knowledge and skills related to prevention, treatment, recovery and harm reduction of substance use and mental health to your work
3. Improve communication and coordination of care for clients, patients and others you serve
