To Whom It May Concern:

I am reaching out on behalf of the Strafford County Public Health Network (SCPHN) to invite your business to sponsor the Strafford County Addiction Summit on March 13, 2026 at Bud Carlson Academy in Rochester, NH.

SCPHN and our Strafford County Addiction Task Force coalition host this annual conference to bring information, evidence-based programs and best practices related to the prevention, treatment, recovery and reduction of harm from substance use and mental health to over 100 partners in the Strafford County region and beyond. This event provides an opportunity for those working across sectors to connect, grow their knowledge and skills, and in turn build stronger, more resilient communities and improve the efficiency and effectiveness of our systems.

By sponsoring our 2026 Addiction Summit, you are not only supporting this educational event, you are helping us achieve our mission *"to improve the health, wellness and quality of life for all individuals in Strafford County"*.

More details about our sponsorship opportunities can be found in our Sponsorship Application, which has been included with this letter, or on our website at SCPHN.org/AddictionSummit. For questions or to learn more about our SCPHN program, please contact Ashley Wheeler at AWheeler@GoodwinCH.org or call 603-994-6357.

Thank you for your consideration and support of this important program.

Sincerely,

Ashley Wheeler
