

May 13, 2025

To Whom It May Concern:

I am reaching out on behalf of the Strafford County Public Health Network (SCPHN), a program of Greater Seacoast Community Health. Our SCPHN program works to improve the health and wellness of all individuals in Strafford County by working with stakeholders across the region to develop and implement strategies that drive positive change in our communities.

Twice a year, SCPHN and our Public Health Advisory Council (PHAC) hosts an "All Partner Meeting"; an event that brings together partners from across our Network to connect with each other, learn about current initiatives and projects, and typically engage in a shared learning opportunity related to one of our public health priority topics organized by our PHAC.

As a program that is 100% grant funded, predominantly by state and federal dollars, our ability to provide food at events such as our All Partner Meetings relies almost exclusively on sponsorships from partners like you. By sponsoring an All Partner Meeting, you are supporting our efforts to strengthen connection, collaboration and partnership amongst our Network members, and in turn, helping us to build one integrated system of community members, businesses, and health organizations working together to address public health needs.

More details about this sponsorship opportunity and the sponsorship application can be found below. For questions or to get more information about our SCPHN program, please contact Ashley Wheeler, SCPHN Manager, at AWheeler@GoodwinCH.org or by calling 603-994-6357.

Thank you for your consideration and support of our program.

Sincerely,

Ashley Wheeler

Ashley Wheeler, MS, CPS
Manager, Strafford County Public Health Network
