Step 3: CONSENT

Click on the link to review the Influenza Vaccine Information Statement.

If you want your child to be vaccinated at the school flu clinic, electronically sign using your name (parent/legal guardian name) to provide consent for your child to be vaccinated. Complete the CAPTCHA and KEEP GOING to the next step. You must complete all SIX steps to register your child for a flu vaccine appointment.

If you do not want your child to be vaccinated, then do not sign the consent and do not proceed to the next step. You may exit the webpage and the information you have entered so far will not be saved.

Step 4: CLINIC CODE INPUT

Search for your school using the clinic code provided and the correct zip code for the school. An example has been done for you. When the school comes up, click “See availability”.

The screenshot shows a web browser window with the URL <https://sonhuat-sonh-community.cs32.force.com/providers/s/get-flu-vaccine>. The page is titled "Get Flu Vaccine". At the top, there are fields for "Recipient Name" (Test Test Test), "Dose Type" (Influenza), "Clinic Code" (NH3267), "Address or Zipcode" (03301), and "Within" (20 miles). Below this, a table lists a single clinic:

Clinic Location Name	Clinic Address	Distance	Clinic Code	Next Available Appointment
First School Clinic	1 main st, concord, New Hampshire 03301	0.74 mi.		09/24/2021

A blue "See availability" button is located in the bottom right corner of the table row. The browser's taskbar at the bottom shows various pinned icons and the date/time as 9/24/2021 10:36 AM.

Step 5: SELECT APPOINTMENT

Click on an appointment slot available and then click “submit”.

Note: If you do not get this page or if there is an error message and you are brought back to the screening questions, **you must re-do the registration, the first was not saved.**

Note: Your child might not be vaccinated at the specific selected time because classrooms are generally called down to the clinic as space allows. Reach out to your clinic contact with any questions about this.

The screenshot shows a web browser window titled "Get Flu Vaccine" with the URL <https://sonhuat-sonh-community.cs32.force.com/providers/s/get-flu-vaccine>. The page displays "Clinic Information" for "First School Clinic (Clinic)" located at "1 main st, concord New Hampshire, 03301". A "Change" link is present. Below this is a calendar for "September 2021" showing dates from 29 to 25. To the right is a grid for "Friday September 24, 2021" with time slots from 10:45 AM to 04:45 PM, each marked with "(2)". The bottom of the screen shows a Windows taskbar with various icons and the system tray indicating "72°F Raining now" and the date "9/24/2021".

Step 6: APPOINTMENT CONFIRMATION

Once completed you will see this screen confirming your appointment. You should also receive a confirmation email. There is no need to print this screen or to bring the QR code to the appointment. The check-in staff will be able to search your child's name and information in the system. It is also not necessary for students to bring proof of identity or proof of residency to the school flu clinic, if they do not have this available.

The screenshot shows a Microsoft Edge browser window with the title "Get Flu Vaccine". The URL in the address bar is <https://sonhuat-sonh-community.cs32.force.com/providers/s/get-flu-vaccine>. The page content includes:

- A circular logo for the First School Clinic.
- A "Home" link.
- A "Login" link.
- A confirmation message: "Your Flu vaccination appointment is confirmed."
- Instructions: "You should receive a copy of the below information, and you can always visit www.vaccines.nh.gov for other helpful Flu vaccine resources."
- Appointment details:
 - First School Clinic
 - 1 main st concord, New Hampshire 03301
 - Friday, 9/24/2021, 1:45 PM - 9/24/2021, 2:00 PM
 - Bring proof of identity, proof of residency, and your QR code to your appointment. If you are unable to bring your QR code to your appointment, either printed or on a mobile device, a clinic staff member can look up your record manually.
- A large QR code.
- Text below the QR code: "Use this QR code to quickly check in to your appointment when you arrive at the clinic."

The taskbar at the bottom of the screen shows the Windows Start button, a search bar with "Type here to search", and various pinned icons. The system tray displays the date (9/24/2021), time (10:38 AM), weather (72°F, Raining now), and battery status.
