Community Health**

Mobile Health Clinics

Easy to Use

Check the schedule to see when clinics are in your area (see info on front). Then, just come on by! No appointment needed.

Easy to Afford

- Medicaid, Medicare and other insurance accepted.
- If you're uninsured, fees are based on your ability to pay.

Services Available (always confidential)

- Medical care (primary care services)
- Medications (no controlled substances)
- Referrals to Substance Use Disorder treatment, mental health counseling, family support and specialty care
- Help applying for Medicaid, housing and other benefits

Reach Your Health Care Team
