

Primary Prevention of Domestic and Sexual Violence in New Hampshire

- ✓ Free school and community-based programs
- ✓ Age-appropriate, aligned with DOE curriculum requirements, and evidence-informed programs
- ✓ Professional staff trained in classroom education, victim advocacy, and violence prevention
- ✓ Staff expertise in handling disclosures and linking students, parents, and teachers to support and services
- ✓ Programs at **130 schools and youth-serving institutions** in 2014

"I learned how to keep myself safe. It was important to see." -3rd grade student

"I feel confident that it changes their attitudes. I do feel it's extremely beneficial for them: They are informed and empowered...Kids should have as much information as possible...they're very grateful for it."-High School Health Teacher

Coalition Role	Member Program Crisis Center Role
Educates the public on the causes and effects of domestic and sexual violence and stalking and the services available in NH	Conducts community and school-based education programs for 50,000 people annually
Sponsors research on the prevalence of violence in NH	Participates in research, disseminates information, and advocates for more-effective responses to survivors
Provides resources and sources for responsible news media and reporting	Connects news media with local advocates and survivors willing to tell their stories
Develops statewide plans to prevent domestic and sexual violence	Implements prevention programs in communities

NEW HAMPSHIRE SAYS **NO MORE**  **TOGETHER WE CAN END DOMESTIC VIOLENCE & SEXUAL ASSAULT**
